

Topeka Charter SAS

**After School Enrichment Program
Application Grades 3-5 only**

By filling out and signing this application, students and parents agree that the following requirements are expected of the Tiger Robotics Team #1:

- Must be in grades 3-5
- Students who are in good character standing, are eligible for the Tiger Robotics Team #1.
- Since space is limited, only a limited number of students can be chosen for the Tiger Robotics Team #1. Students will be chosen using a lottery system and a confirmation recommendation from the teacher(s).
- Students must attend regularly.

Applications are due to the main office Friday, September 13, 2019. Then, 20 complete applications will be drawn 'lottery style' to form our 2019-2020 Tiger Robotics Team 1!

The Tiger Robotics Team will meet every Friday from 2:50 – 3:50 p.m. The team will meet in Room 7, starting Friday, September 20, 2019.

In order to maintain your spot in the club:

- Students must consistently attend.
- Students are attentive to the person talking.
- Students will maintain passing grades in all classes.
- Students receiving any major discipline referrals may lose their place on the robotics team.
- Students are expected to work diligently and collaboratively with the other members of the robotics team.
- Students must use care when using robotics equipment.
- Students must be picked up on time.
- Students should not receive more than 2 minor disciplinary referrals (parents will be contacted).

Club Sponsor(s):

If you need more information or have any questions regarding the Robotics Team, feel free to contact the school.

A completed application AND a letter by the student explaining why he/she is interested in the Robotics Club is due: Friday, September 13, 2019. Please turn in the application to the main office. Teacher recommendation forms will be submitted to the teachers of the selected students, after the lottery drawing.
